GWAC happenings

Glen Waverley Anglican Church | Updates

Greetings Mighty people of GWAC!

The recent hack into the Optus network that has put the identity of millions of Australians at risk has raised considerable concern by people all across the country. I am an Optus customer and have been left totally confused. Last week we (all Optus customers) received a general email telling us about the hack. Up until yesterday I was under the impression that I only needed to worry about getting new identity documents such as drivers' licence and passport etc if I was personally contacted by Optus to say so. Then on Monday evening (according to the ABC) Optus is now saying anyone who was contacted should get new licences etc. This just adds to the confusion!

With this new uncertainty hanging over many people it is comforting to know that those who are "in Christ", have a secure identity and future regardless of whatever troubles and confusion we might be enduring at this present time.

2 Corinthians 5:17

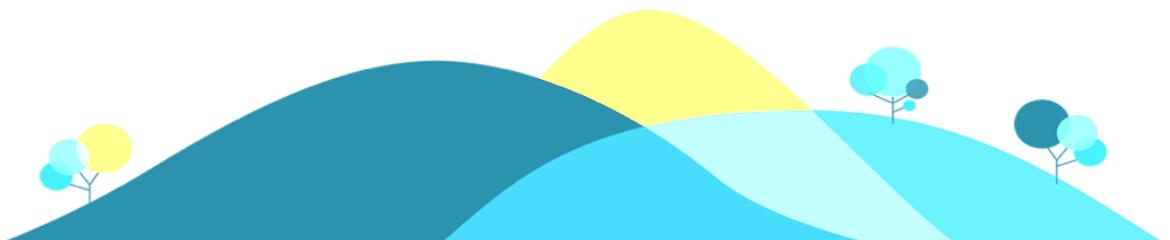

Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!

In Christ we are loved, forgiven, and secure. In Christ we are adopted, justified, redeemed, reconciled, and chosen. In Christ we are victorious, filled with joy and peace, and granted true meaning in life. What a wonderful Saviour is Christ!

Here's what's happening at GWAC:
