

## **Acts 27 - God's Mission is Unstoppable**

In vs 1, we read Paul will finally be sent to Rome. What is significant about Paul reaching Rome?

Who travels together with Paul?

Why does Paul warn them not to continue sailing (vs 9)?

Why does God keep them safe despite the storm and shipwreck?

In vs 25, Paul says "So keep up your courage, men, for I have faith in God that it will happen just as he told me. How does Paul's example encourage us to trust in God?"

In what ways might challenges and weakness be a strength for gospel ministry?

What are some of the challenges we experience in sharing our faith today in our local context?

What are some of the opportunities we have to share our faith in our local context?

Pray for each other, that we might have an unstoppable hope and be empowered by the Spirit to share our hope with others.
